The attention of every policy holder is called to the following:

By vote at the annual meeting of the Company held January 7, 1901, policy holders wishing to remain away longer than thirty days may keep the insurance on their property good, by applying to the secretary for a permit to leave premises unoccupied for such times as they may specify paying for the same five cents per month for every one hundred dollars for which they are insured.

The cash premium for permits has been reduced from five to three cents per month.

REPORT OF SANBORNTON PUBLIC LIBRARY

The books and magazines furnished to the patrons of the Sanbornton Public Library during the fiscal year just ended amounted to approximately 2,143, divided as follows: Adult fiction 743, adult non-fiction 191, juvenile 991, magazines 198.

New adult fiction books were loaned by generous friends and 150 from the Public Library Commission. We have also borrowed from the Public Library Commission 100 juvenile books which are being used in the three public schools.

The donations of books and magazines amounting to approximately 100 were greatly appreciated.

Adult and juvenile books purchased with funds amounted to 150.

In the spring the library received the gift of a portrait painted by the late Walter Ingalls of Sanbornton who was pronounced one of the best and most accurate painters of his time. The fact that this portrait gave to our library such a splendid piece of workmanship out of the past brought to mind an idea which resulted in the following:

In August many of our kind friends opened their treasure chests, dusted their antiques, collected their hobbies, while others kindly assembled them at the town hall. The result was a very interesting display of Sanbornton, old and new.

A copy of the original constitution of the Sanbornton Public Library instituted in 1796 has been presented to the Library.

Respectfully submitted,

GERTRUDE CURRIER,
Librarian.

REPORT OF THE SANBORNTON AGRICULTURAL AND MECHANICAL ASSOCIATION

Many of us cherish pleasant memories of the successful gatherings at the Fair Grounds on Tower Hill. It is with regret that due to changed conditions it seems no longer possible to carry on as an organization.

At a legal meeting held at the Town Hall, November 26, 1940, the Association voted:

1. To authorize the officers to sell its property.
2. To authorize the President to execute all papers necessary in the sale of its property.
3. That the funds now held and to be received by the Treasurer be turned over to the Trustees of the Trust Funds, the annual interest to be expended for books and periodicals for the Town Library, preferably pertaining to rural life and its interests.
4. That the real estate north of the Range Road set out to pine be turned over to the town to be used as a town forest under approved management.

REPORT OF SUPERINTENDENT OF SCHOOLS SCHOOL DISTRICT OF SANBORNTON

To the School Board and Citizens:

In September the schools opened with Mr. Leonard Morrison of the Keene College faculty acting as superintendent because of my illness.

A new teacher was at the Bay School—Mrs. Rosamond Pike—a teacher of experience. At the Square, Mr. Andrew Janosz, a graduate of Keene Teachers College in June 1940, was the new principal in place of Mr. McCullough who had declined re-election after 5 years of splendid service in Sanbornton. We have good teachers in all the schools and good progress is being made.

An outstanding event of this winter term is the serving of hot lunches at noon in all the schools. The parents have been very co-operative and have shown unusual interest in the idea. Application has been made for several surplus products from the government, as oranges, grapefruit, cereals, raisins, etc. These are to supplement the regular school lunch.

An electric stove has been added to the equipment of the Square school. This enables a greater variety of food to be prepared than can be done in the other schools on just an electric plate. The other two schools should have a similar equipment though not necessarily as large a one. New chairs

and desks have been purchased for the 7th and 8th grade room; these add much to the comfort of the pupils.

I recommend that each year, a school room be equipped, wholly or in part, with new modern furniture until all are properly equipped. This would mean an expense of about $185.00 each year for three years.

It may be of interest to know that for each $1,000.00 of the equalized valuation of Sanbornton $13.11 is used for education, or in other words that .013 cents of each dollar is expended for education.

The per pupil cost of maintaining the schools for the year 1939-40 was $83.76.

I wish to acknowledge the co-operation of the School Board, teachers and citizens in making the Sanbornton Schools more efficient each year.

Respectfully submitted,

FRED S. LIBBEY,
Superintendent of Schools.

February 10, 1941.
Sanbornton, N. H.
